## MBA (BASED ON RELEVANT QUALIFICATIONS)

1. **Eligibility Criteria**
   i. An undergraduate degree (comprising 16 years of qualification) in Business or Management Education is the eligibility requirement for admission to the Master of Business Administration. Relevant qualification refers to degrees where a minimum of 65% of courses are from the core Business or Management domain.
   ii. Higher education institutions (HEIs) offering admissions to the program are required to conduct an entry test with a passing score of 50%. They may also accept the GRE/HAT General or equivalent tests with a passing score of 50%. HEIs, however, can set minimum entry test scores above 50%.
