MASTER OF STUDIES IN MANAGEMENT SCIENCES

1. Eligibility and Admission Criteria

i. Applicants holding a BBA (4-year), B.Com (4 years), BS Banking and Finance (4 years), M.Com, ACMA, ACA, MBA (2 Years), or an equivalent 16 years of qualification in the field of business & management recognized by HEC, with a minimum CGPA of 2.50 out of 4.00 under the semester system or at least Second Division under the annual system, shall be eligible for admission.

ii. Candidates holding an undergraduate degree involving 16 years of education in any field under the broad category of Business and Management listed in the ISCED-2013 UNESCO Classification may also be admitted to the MS Management Sciences program, if they complete deficiency courses of 6 to 9 credit hours after admission. The quantum of deficiency shall be determined by the university on a case-by-case basis.

iii. Candidates holding a 16-year qualification outside the above fields may be required to complete deficiency courses of up to 30 credit hours. The quantum of deficiency shall be determined by the university on a case-by-case basis.

iv. The university shall conduct an entry test for admission to the program with a minimum passing score of 50%. GRE/HAT General or an equivalent test with a minimum passing score of 50% may also be accepted. The university may prescribe a higher minimum score in accordance with its admission rules.
